Safety Spotlight: e-bikes and e-scooters news conference

NEW ORLEANS – As the numbers of e-bicycle and e-scooter riders increase on Louisiana roads, so have the safety issues surrounding these vehicles.

On Wednesday, November 18, the Louisiana Highway Safety Commission held a news conference about e-bicycle and e-scooter safety at University Medical Center-New Orleans.

The news conference was held in conjunction with National Injury Prevention Day, and Governor Jeff Landry issued a proclamation naming November 18 as Louisiana Injury Prevention Day.
